We realize the effects of COVID-19 are very real and may extend later into 2020. We are exploring options that will allow us to continue our conference both in person or virtually if restricted by state and/or federal regulations. Please reach out with any questions or concerns. We recognize Homes Within Reach is an important event to our sponsors and everyone in the Affordable Housing Community. We are committed to your success whether in person or in a virtual environment. We very much appreciate your support.
